Kampala
Uganda

IN ANY CORRESPONDENCE ON

THIS SUBJECT PLEASE QUOTE NO:
UNMC/DR-IT/04/026

Requirements For Starting up Nursing / Midwifery Clinic

1. Application letter to the Registrar Uganda Nurses and Midwives Council with the following contents;
 - Location and the name of the Unit
 - Professional training i.e institution, year & course undertaken
 - Current employment
2. Attach the following
 - 2 passport size photographs
 - Brief Curriculum Vitae (C.V)
 - Photocopies of the professional certificates obtained
 - Recent renewal receipt and License
 - Recommendation letter from the employers

Also Note that;

- For a Nurse;

One must have worked for a minimum of 10 years and above and in a recognized health facility (ies). Only applicable to Nurses at a registered level

- For a Midwife;

One must have worked for 5 years and above and from a recognized health facility. This applies to both Enrolled and Registered Midwives.

All nurses and midwives working in Uganda must have a general license to practice and this has to be renewed every 3 years.

The fee for enrolment/registration includes the license fee for the first three years.

When you collect your first certificate of enrolment or registration please do not leave the Council offices until you have been told what your license number is and had it is written on your receipt, along with the year for renewal.

The license number is unique to you.

All your qualifications will be covered by the one license to practice.

General License to Practice

All nurses and midwives working in Uganda must have a general license to practice and this has to be renewed every 3 years.

The fee for enrolment/registration includes the license fee for the first three years.

When you collect your first certificate of enrolment or registration please do not leave the Council offices until you have been told what your license number is and had it is written on your receipt, along with the year for renewal.

The license number is unique to you.

All your qualifications will be covered by the one license to practice.

Renewal of License to Practice

Every 3 years you need to renew your license. Come to the Council offices at a date that is convenient to you.

At Accounts:-

- Show original certificate or professional ID with photocopy of the certificate for all qualifications.
- Show previous receipt.
- Show Continuing Education Diary.
- Pay 80,000/= if your highest qualification is registration.
- Pay 50,000/= if your highest qualification is enrollment.
- If your previous renewal was over 3 years ago there is a late payment charge.
 - Pay 50% surcharge
- If you have a professional ID it will be stamped to indicate you have renewed.

If you already have a license number, go to Data department.

- Show your certificates and receipt.
- The details we have recorded on the computer will be checked with you and updated.
- If you would like a copy of the information we hold on you this can be provided.

If you do not have a license number proceed to the senior nursing office.

- Show your certificates and receipt.
- You will be asked for some additional information.
- You will be issued with a license number which will be written on your receipt.

NB: If renewing for someone else it is helpful if you know their date of birth, training school and place of work.

Private Practice Licenses

How to Obtain License – Private

Part VI of The Uganda Nurses and Midwives Act, 1996 addresses the issue to private general nursing and domiciliary practice licenses.
